What's Been Happening at Arrowhead?

VA 4H Shotgun Championship

Arrowhead hosted the VA 4H Shotgun Championship on September 21. Teams from around the state came to Arrowhead to compete. There were 49 senior competitors that shot 75 sporting clay targets and 75 skeet targets and 50 trap targets. The junior competitors shot 50 sporting clay targets, 25 skeet and 25 trap targets. The weather was spectacular and a fun time was had by all!

SEC Opportunity Fundraiser Shoot

Southside Opportunity Fund Skeet & Trap Classic was held at Arrowhead in October. Over \$30,000 was raised! This money is going to help local high school grads with need-based scholarships, whether they're off to college or pursuing technical and trade schools. A huge thank you to everyone who participated, sponsored, and supported the event — you're making a real difference in the future of these students!

The Young Guns Participate in SCTP Nationals in Ohio!

The Arrowhead Young Guns Scholastic Clay Target Program team traveled to Marengo, Ohio in July to compete in the 2024 SCTP National Championship. This was the third consecutive year our team has traveled and competed in the National event. Arrowhead Gun Club and Virginia were well represented as nine of our Arrowhead Young Gun athletes shot American Skeet, American Trap, Sporting Clays and Make-A-Break disciplines. Once again, our athletes proved their addiction to burning gun powder by breaking 4,634 clay targets out of 5,200 clay targets thrown. The 89.1 break percentage earned our team 15th place out of 115 teams from across the United States. The 2024 SCTP National Championship was the largest in SCTP history with over 4,000 youth athletes competing in shotgun sports.
